WORK HISTORY

Aircraft Hydraulic Technician | New Hampshire Air National Guard - Portsmouth, NH 05/2013 - 03/2021

- Analyzed engineering drawings and schematics to troubleshoot systems and diagnose solutions.
- Reduced expenditures by repairing systems through accurate and direct maintenance. Minimizing Aircraft downtime and elevating mission readiness.
- Initialized hydraulic maintenance fundamentals for Pease Air National Guard's monumental purchase of the newest air frame in Air Force possession, the KC-46A.
- Entrusted to complete complex assignments individually as well as coordinating tasks requiring many specialists collaborating to accomplish.
- Devoted special emphasis to punctuality and worked to maintain outstanding attendance record, consistently arriving to work ready to start immediately.

Shift Manager | Blake's Restaurant - Manchester, NH 05/2011 - 10/2013

- Managed schedules, accepted time off requests and found coverage for short shifts.
- Kept employees operating productively and working on task to meet business and customer needs.
- Assisted management team in developing and creating welcoming atmosphere for crew members to voice complaints.
